March 12, 2005

Sir:

In response to the Notice of Incomplete Reply (Nonprovisional) of March 1, 2005 (hereinafter "Notice of 2005", copy attached hereto as Appendix A), Applicant wishes to advise the USPTO that a Combined Declaration and Power of Attorney was already filed on June 25, 2003, to perfect Applicant's filing requirements, when the subject patent application was filed to the USPTO.

The filing requirements were perfected prior to the receipt of the Notice to File Missing Parts of Nonprovisional Application of Nov. 10, 2003 (hereinafter "Notice of 2003"), a copy of which is attached hereto as App. B.

As evidence of Applicant's previous submission of a combined Declaration and Power of Attorney in connection with the subject application, Applicant encloses a copy of the postcard (App. C) indicating receipt of said combined Declaration and Power of Attorney by the USPTO and payment of the appropriate fees by Applicant.

Additionally, as soon as Applicant received the Notice of 2003, Applicant quickly transmitted a facsimile letter (App. D) on Nov. 20, 2003 to the IPE Division. The facsimile transmission informed the IPE Division that the combined Declaration and Power of Attorney was already filed on June 25, 2003, concurrently with the subject patent application. In this facsimile letter, Applicant also explicitly requested the Office to advise Applicant of its decision regarding perfecting the filing requirements. Applicant has attached a copy of the faxed Combined Declaration and Power of Attorney as received by the OIPE, with the receipt stamp date of Nov. 20, 2003 (App. E). This copy is downloaded from PAIR.

Within a month after Applicant's facsimile transmission, on Dec. 15, 2003, having not received any indication from the IPE Division, Applicant diligently called the IPE Division and spoke with one Mr. Walsh. Mr. Walsh re-assured Applicant that although no updated status was available, the files would eventually be matched up and processed in due course.

Since the Nov. 20, 2003 facsimile letter, Applicant has not received any correspondence from the OIPE or the USPTO regarding the status of the subject application, nor any disposition as to the Notice of 2003, or the perfected filing of the subject patent application.

Finally, almost 14 months later, after observing a lack of progress from PAIR, Applicant submitted a Status Inquiry to the USPTO. A copy of the submission, as received by the OIPE on Feb. 14, 2005 and downloaded from PAIR, is attached as App. F.

Now, almost 16 months later, in the Notice of 2005, the IPE Division finally notified Applicant that the subject application would be abandoned unless Applicant submits the \$65 fee for Late Oath or Declaration Surcharge. The Notice of 2005 also indicates that the period of reply remains as set forth in the Notice (of 2003), unless EXTENSION OF TIME is obtained.

The inexplicable delay in the IPE Division for almost 16 months has denied Applicant the any opportunity to correct the situation or remedy any deficiency in a timely manner. If Applicant had been timely advised of the disposition of Applicant's faxed submission on Nov. 20, 2003, or any alleged deficiency in the Late Fee, Applicant would have promptly resolved this issue with the USPTO at the earliest opportunity, in an effort to further prosecution of the subject application. Now, the 16-month delay in processing is potentially forcing Applicant to file a Petition to Revive, plus the extension fees, in order to avoid abandonment. This seems quite a severe penalty, when

neither the delay, nor oversight, was due to Applicant's fault. From the very beginning, Applicant has demonstrated diligence in responding to the requests from the USPTO, as explained above.

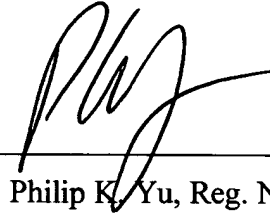

REQUEST.

In light of the above showing and explanation, it is respectfully requested that the Notice of 2003 and Notice of 2005 be corrected or withdrawn, and the subject application's filing requirements be deemed perfected as of its original filing date of June 25, 2003.

If, upon determination by the USPTO, a Late Fee of \$65 is nevertheless to be assessed, a check in that amount is enclosed for such purpose. If the Late Fee is not to be assessed, please issue a overpayment check to the undersigned Attorney.

Respectfully submitted,

By
